

# Planet & Society Barometer

We measure our sustainable  
development commitment

## A pedagogical tool,

- to show our **main strategic avenues** for sustainability improvement
- to **measure** the company's corporate social responsibility performance
- to **federate projects and communities**.

## Our visible and measurable commitments

## Performances

January 2009

**3 / 10**

Objective for the end of 2011

**8 / 10**

## Planet

- 1.** 30,000 tons annual reduction of our CO<sub>2</sub> emissions
